Dear Mr Burr,

**ELECTRICITY ACT 1989  
THE ELECTRICITY WORKS (ENVIRONMENTAL IMPACT  
ASSESSMENT)(SCOTLAND) REGULATIONS 2000  
SECTION 36 APPLICATION FOR THE PROPOSED LEWIS WIND FARM, ISLE OF  
LEWIS**

As you will be aware, Appropriate Assessments of the impacts of the proposed Lewis wind farm on each of the European designated sites in accordance with Article 6(3) of the Habitats Directive fall to be undertaken by the Scottish Government as the competent authority. These are now complete and I enclose copies for your information.

We have written to the developer about the implications of the Appropriate Assessments on the impact on the Natura 2000 sites for their application.

The Lewis wind farm application is still under consideration by Scottish Ministers and no final decision has been taken.

Yours sincerely

Colin Imrie
